FACE COVERS

HEY THERE

It's safe to say that face covers are going to be around for a while. That's why we have put together this guide to help keep our community stay safe with the right gear. Below is a breakdown based on what your priorities might be:

MOST COST-EFFECTIVE

Options between \$1 - \$4 per unit.

- **Stretch Comfort** (pg 6)
- **Adjustable** (pg 6)

LOW MINIMUMS

Low minimums of less than 100 pieces.

- **The Plain Jane** (pg 5)
- **Bandana** (pg 4)

MOST CUSTOMIZABLE

Options that allow full customization and all-over prints.

- **Full Color Mask** (pg 5)
- **Neck Gaiter** (pg 4)

MULTI-USE

These can be worn in more ways than just a face cover, so they can be utilized even after the pandemic is over.

- **Neck Gaiter** (pg 4)
- **Bandana** (pg 4)

CDC GUIDELINES

The following cloth face coverings shown in this catalog serve as an additional step to help slow the spread of COVID-19 when combined with every day preventive actions and social distancing in public settings.

HOW TO APPLY

1. Wash your hands before putting on your face covering
2. Put it over your nose and mouth and secure it under your chin
3. Try to fit it snugly against the sides of your face
4. Make sure you can breathe easily

HOW TO REMOVE

1. Untie the strings behind your head or stretch the ear loops
2. Handle only by the ear loops
3. Fold outside corners together
4. Place covering in the washing machine
5. Be careful not to touch your eyes, nose, and mouth when removing and wash hands immediately after removing

PROTECTING OTHERS

- Wear a face covering to help protect others in case you're infected but don't have symptoms
- Keep the covering on your face the entire time you're in public
- Don't put the covering around your neck or up on your forehead
- Don't touch the face covering, and, if you do, wash your hands

KEEP IN MIND

- Cloth face coverings are NOT surgical masks or N-95 respirators. Surgical masks and N-95 respirators must be reserved for healthcare workers and other medical first responders, as recommended in CDC guidance.
- Who should NOT use cloth face coverings: children under age 2, or anyone who has trouble breathing, is unconscious, incapacitated or otherwise unable to remove the mask without assistance

Information sourced from the Centers for Disease Control and Prevention.

MASK OPTIONS

NECK GAITER

Fashionable and functional: these gaiters are 100% polyester and can be used as a face guard, scarf, and headband. These are sure to be useful post-COVID.
